Master Gardeners of Orange County will have an information booth at Sherman Library & Gardens on the second Sunday of each month.

This week the MGOC Information booth at Sherman Library & Gardens will focus on the topic of "Winter Rose Gardening in Southern California". Southern California gardeners need to do it differently than most of the country. Learn what to do specifically for your Southern California Rose Garden.

We welcome all our gardening questions.

Note: There is a \$5.00 entry fee to Sherman Library and Gardens, a non-profit organization
