

# GARDENING FOR BUTTERFLIES

## Zoom Encore

FRIDAY, FEB. 2, 10-11:00 AM

Hosted by  
The City of Mission Viejo

***Did you know there are more than 170 species of butterflies that live in or visit Southern California?***

***You can easily attract many of them by learning about host and nectar plants and shelter that particular species prefer.***

***UC Master Gardeners of Orange County will teach you about the types of butterflies, what they like, and provide examples of native and other flowers that attract them.***

**Free, open to the public**

**Note: This is an online encore of an earlier in-person class. Register to receive the Zoom link.**

[Registration Required](#)

**Presented by the  
UCCE Master Gardeners of Orange County**
