

# TREES IN THE CALIFORNIA LANDSCAPE

THURSDAY, JUNE 6, 1-2:00 PM

Hosted by  
**Norman Murray Senior Center**  
24932 Veteran's Way, Mission Viejo

***California's Mediterranean climate ranges from snowy mountains to hot, arid plains, creating habitats for a large variety of trees. UC Master Gardeners will describe the selection of trees from natives to the exotic, their care and feeding, benefits of planting them, and potential threats to them.***

***Note: If you are unable to attend this presentation, register for the online encore program on Friday, June 7, 10-11:00 a.m.***

**Registration Required**

Presented by the  
**UCCE Master Gardeners of Orange County**
