

# “Wednesdays With A Master Gardener” Series

Free, open to the public

*The series is presented on the third Wednesday of the month at 6:30 PM via the ZOOM platform.*

**COMING LECTURE:**

**June 19, 6:30-7:30 PM**  
**“They’re Here! New Pests”**

***You just thought you had conquered all the pests that can harm your garden, but they are here! New Pests are waiting to find an opening and to enter California. UC Master Gardeners have the latest information on these potential peats, what to look for and how to manage them. We will also look back at some old familiar problems.***

***Welcome to this series of presentations on residential horticulture for the gardening public. We deliver topics of interest that are trending in Orange County plus breaking information on new garden pests.***

***This class is an online presentation***
