

CREATE A WILDLIFE HABITAT

TUESDAY, AUGUST 13, 6-7:00 PM

Hosted by
Irvine Public Library
Katie Wheeler Branch Library
13109 Old Myford Road, Irvine

No, not the lions-and-tigers-and-bears kind of wildlife! More like the small critters such as birds, bees, butterflies and lizards.

UC Master Gardeners of Orange County will show you how to attract wildlife by creating a welcoming habitat. Learn to restore a natural balance, then reap the benefits as you enjoy watching these small creatures right in your own backyard.

Free, open to the public

No Registration Required

**Presented by the
