

“Wednesdays With A Master Gardener” Series

Free, open to the public

The series is presented on the third Wednesday of the month at 6:30 PM via the ZOOM platform.

COMING LECTURE:

August 21, 6:30-7:30 PM
“Succulents”

Succulents are beautiful and easy plants to grow, both in the garden and in containers.

Whether you are new to succulents or just looking for ideas to add visual excitement to your garden, this class is for you!

Welcome to this series of presentations on residential horticulture for the gardening public. We deliver topics of interest that are trending in Orange County plus breaking information on new garden pests.

This class is an online presentation
