

STRAWBERRIES IN POTS

SATURDAY SEPT. 21, 10:30-11:30 AM

Hosted by
**Orange County Great Park
Farm + Food Lab**
8000 Great Park Blvd.
Irvine, CA 92618

Strawberries love to grow in pots. Pots provide good drainage, air circulation, and better protection from pests. And it's so fun, especially for kids, to easily pick and eat this favorite fruit!

University of California Master Gardeners will discuss types of pots, varieties of strawberries and their care.

Free, open to the public

Registration Required

Presented by the
UCCE Master Gardeners of Orange County
