

CALIFORNIA NATIVES

Zoom Encore

FRIDAY, OCT. 4, 10-11:00 AM

Hosted by
The City of Mission Viejo

An English Garden in sunny Southern California? Oh, no! Let's go native and get the same effect.

UC Master Gardeners of Orange County will show you how to have a garden featuring California Native plants that will rival any other location in color, variety and beauty. All this while reducing water usage, chemical fertilization and increasing local wildlife habitat.

Note: This is an online encore of a previous in-person presentation. Register to receive the Zoom link.
