

GROWING AND USING HERBS

SATURDAY, MAY 29, 10-11 AM

Presented by
**Orange County Great Park
Farm + Food Lab**

Some of the easiest plants to grow are also some of the best to use in the kitchen! Parsley, basil, thyme, marjoram, sage, and oregano are some of the most popular and easy herbs to grow.

Learn how and when to plant in containers or garden beds, how to care for, and how to harvest and use for extra tasty meals

**This class is a Zoom online presentation.
Free – Open to the public**
