

GOT PESTS?

SATURDAY, JUNE 19, 10-11 AM

Presented by
Orange County Great Park
Farm + Food Lab

Are garden pests enjoying more of your harvest than you are? Lots of things are happening in the garden that can hurt your plants. Learn the difference between good and bad bugs and how to help your garden thrive.

Learn from Orange County Master Gardeners how to safely use integrated pest management practices to control pests in your garden.

This is an online Zoom presentation.
Free, and open to the public.
