

“Wednesdays With A Master Gardener” Series

Welcome to this new series of presentations on residential horticulture for the gardening public. We will deliver topics of interest that are trending in Orange County plus breaking information on new garden pests.

This series will be monthly on the third Wednesday of the month at 6:30 PM via the ZOOM platform.

COMING LECTURE:

**March 16, 2022 at 6:30PM
“Tomatoes – A-Z”**

Home grown tomatoes are the best, and easier to grow than you think.

Whether you are a novice or a pro, this class will provide lots of information: How to plant from seed, how to transplant, care and maintenance, and recommendations on varieties of tomatoes.

Something for everyone!

Free, open to the public - [Registration Required](#)
