

MONARCH NATURE TRAIL VOLUNTEER DAY

SATURDAY, APRIL 2, 9:00-11:00 AM

Monarch Nature Trail
5302 Rancho Road,
Huntington Beach, Ca, 92647

Come join us for a morning of outdoor fun at the Monarch Nature Trail in Huntington Beach! Volunteering at the MNT is a great way to learn more about Orange County's butterfly population as well as the native plants they depend on for survival.

We have volunteer tasks for all ages including watering, seed collection, mulching, weeding and much more! Youth will be able to participate in a "hands-on" nature activity. Be sure to wear tennis shoes, bring hat and sun-screen as well as drinking water. There are no restrooms available on site.

The Monarch Nature Trail is located near the corner of Rancho Road and Spa Drive. The address shown is that of Bryan Healthcare, for reference and GPS locator, since the trail itself has no address. Parking is available on Spa Drive, and entrance is off of Rancho Road. The entrance is an opening in the chain-link fence where you will meet your leaders.
