

# DROUGHT TOLERANT GARDENING

FRIDAY, MAY 13, 5-6:00 PM

**East Anaheim Community Center  
8201 E Santa Ana Canyon Rd**

***We live in a climate where water has been and will continue to be an issue. The smart gardener, in finding ways to address this issue, will investigate drought tolerant plants.***

***This presentation covers gardening in the Southern California Mediterranean climate and UC Master Gardeners of Orange County will provide tips for designing and planning the drought tolerant garden including steps to implement the garden design.***

***Beginning with a definition/description of drought tolerant plants, attendees will learn how to select, plant, water and maintain the right plants to thrive in their gardens.***

***Free, open to the public***

## Registration Information

**Presented by the  
UCCE Master Gardeners of Orange County**
