

# EASY HYDROPONICS FOR YEAR-ROUND VEGGIES

THURSDAY, AUGUST 4, 1-2:00 PM

*Norman Murray Center  
24932 Veterans Way,  
Mission Viejo, CA 92692*

*No space to grow vegetables? Learn from Master Gardeners of Orange County how simple, low-cost hydroponics can grow tender veggies all year long, even on a patio or balcony. Hydroponics, growing plants in water, is surprisingly easy, uses less water and has fewer pest problems than in-ground gardens.*

**Note: If you can't attend this in-person class, sign up for the Zoom encore presentation (August 5, 10-11 a.m.)**
