

# “Wednesdays With A Master Gardener” Series

**Welcome to this new series of presentations on residential horticulture for the gardening public. We will deliver topics of interest that are trending in Orange County plus breaking information on new garden pests.**

**This series will be monthly on the third Wednesday of the month at 6:30 PM via the ZOOM platform.**

**COMING LECTURE:**

**August 17<sup>th</sup>, 6:30-7:30 PM  
“Succulents”**

**Succulents, in the garden or in a container, are easy to grow. Learn the history and origin of succulents, their care and feeding, propagation, and pests and diseases. Discover the versatility of creating with succulents.**

**This class will be taught online via ZOOM.  
Free, open to the public**

**[Register to receive Zoom Link](#)**

**Presented by the  
UCCE Master Gardeners of Orange County**
