

“Wednesdays With A Master Gardener” Series

Welcome to this new series of presentations on residential horticulture for the gardening public. We will deliver topics of interest that are trending in Orange County plus breaking information on new garden pests.

This series will be monthly on the third Wednesday of the month at 6:30 PM via the ZOOM platform.

COMING LECTURE:

**September 21st, 6:30-7:30 PM
“California Natives”**

Learn how to have a garden featuring California Native plants that will rival any other location in color, variety and beauty. All this while reducing water usage, chemical fertilization and increasing local wildlife habitat.

This class will be taught online via ZOOM.
