## CALIFORNIA NATIVES Zoom Encore

## FRIDAY, NOV 4, 10-11:00 AM

Hosted by The City of Mission Viejo

An English garden in sunny Southern California? Oh, no! Let's go native and get the same effect.

UC Master Gardeners of Orange County will show you how to have a garden featuring California Native plants that will rival any other location in color, variety and beauty. All this while reducing water usage, chemical fertilization and increasing local wildlife habitat.

Free, open to the public

*NOTE:* This is an online Zoom presentation of a previous in-person class.

**Registration Required**
