We're baaack! With the holiday season approaching, the UCCE Master Food Preservers of Orange County are back with the popular **Gifts from the Kitchen** class!

Please join us Tuesday, December 6th, in one of two sessions offered, when we will share some great holiday ideas.

Step up your home bartending skills! This year you'll create two easy-to-make, delicious, infusion kits that can be infused with your favorite spirit, favorite tea or fruit juice*. These infusion kits are made with dehydrated fruits and spices. A unique hostess gift to make holiday beverages.

You'll create home-made spice mixes – another perfect gift for the holidays. You will have six spice mixes to choose from, taking home you top three choices. You will also make a drinking Shrub (an infused mixture of vinegar, sugar and fruit) that can be added to sparkling water, water or cocktails*.

Finally, you'll learn a fun craft idea to do at home.

**Spirits, tea, sparkling water or fruit juice not included.*

 If you need an accommodation to be able to participate, please contact the Master Food Preserver Program at uccemfp@ucanr.edu at least 2 weeks prior to the event.
