

# EASY VEGGIE HYDROPONICS

## Encore Zoom

FRIDAY, APRIL 7, 10-11:00 AM

Hosted by  
The City of Mission Viejo

***No space to grow vegetables? Learn from Master Gardeners of Orange County how simple, low-cost hydroponics can grow tender veggies all year long, even on a patio or balcony. Hydroponics, growing plants in water, is surprisingly easy, uses less water and has fewer pest problems than in-ground gardens.***

**Note: This is an encore online presentation of a previous in-person class. Register to receive a Zoom link.**
