

DROUGHT TOLERANT GARDENING

SATURDAY, MAY 13, 11 A.M. – 12 P.M.

Hosted by
Huntington Beach Public Library
525 Main Street, Huntington Beach

This free presentation covers gardening in the Southern California Mediterranean climate and UC Master Gardeners of Orange County will provide tips for designing and planning the drought tolerant garden including steps to implement the garden design.

Beginning with a definition/description of drought tolerant plants, attendees will learn how to select, plant, water and maintain the right plants to thrive in their gardens.

Free, open to the public

Registration Required
