

# “Wednesdays With A Master Gardener” Series

***Welcome to this series of presentations on residential horticulture for the gardening public. We deliver topics of interest that are trending in Orange County plus breaking information on new garden pests.***

***This series occurs monthly on the third Wednesday of the month at 6:30 PM via the ZOOM platform and will continue through 2023 and beyond. Master Gardeners of Orange County will present some of our dynamic speakers talking about subjects they delight in sharing.***

## **Coming Lecture:**

**June 21, 2023, at 6:30 p.m. “Pass Down Plants”**

What is a “pass down” plant? It is a plant shared from other gardens or gardeners. Learn how to share safely – including propagation of perennials, bulbs, seeds, and succulents.

UC Master Gardeners of Orange County will discuss how to divide perennials and bulbs, start softwood cuttings, and how to collect, store and sow seeds to create your own pass down garden.

**Free, open to the public-Registration Required**
