**Fall is just around the corner.** This is our favorite time to start thinking about and canning soups in anticipation of the cooler weather to come. Join the Master Food Preservers of Orange County as we pressure can 2 hearty soup recipes. Each participant will make-and-take 2 quarts of soup – one veggie and one meat based. In addition, you may bring your favorite soup recipe from home and we will help you 'adjust' it so that you may safely pressure can it at home. If you need your Presto canner gauge tested or your pressure canner 'inspected', we can do that for you as well as this workshop.

There will only be one workshop offered as pressure canning is time intensive. Class will be held on Saturday, September 9, 2023 and is expected to last approximately 4 hours. The class is limited to 24 registrants. Register and pay online by September 7, 2023 and bring a printed or digital copy of your confirmation proof-of-payment email to class.

Closed-toe shoes are required. **Please bring an apron from home.** If you cannot bring an apron, please select the \$5 cleaning fee for a loaner apron. All ingredients and kitchen tools will be provided at the class.
