

COOL SEASON GARDENING

SATURDAY, AUGUST 19, 11 AM-12 PM

Presented by
Laguna Beach Library
363 Glenneyre, Laguna Beach, 92651

***In the southern California garden,
there are two seasons:
warm and cool!***

***Fall marks the beginning of the
cool season, and the time to plant
many ornamental trees, shrubs, and
spring-blooming bulbs. But even
though it's still summer, now is also
the time to plan ahead and learn
what to plant this fall to have
fresh veggies all winter.***

Free, open to the public

No Registration Required
