THURSDAY, NOV. 2, 10-11:00 AM

Hosted by

Norman Murray Senior Center

Mission Viejo, CA 92692

An English garden in sunny Southern California? Oh, no! Let's go native and get the same effect.

UC Master Gardeners of Orange County will show you how to have a garden featuring California Native plants that will rival any other location in color, variety and beauty. All this while reducing water usage, chemical fertilization and increasing local wildlife habitat.

Free, open to the public

NOTE: If you are unable to attend this in-person session, register for the online Zoom Encore on Friday, Nov. 3rd at 10:00 AM
