

DROUGHT TOLERANT GARDENING

SATURDAY, NOV. 4, 11AM-12:00PM

Hosted by

Laguna Beach Library

363 Glenneyre, Laguna Beach, 92651

This free presentation covers gardening in the Southern California Mediterranean climate and UC Master Gardeners of Orange County will provide tips for designing and planning the drought tolerant garden including steps to implement the garden design.

Beginning with a definition/description of drought tolerant plants, attendees will learn how to select, plant, water and maintain the right plants to thrive in their gardens.

Free, open to the public

No Registration Required
